Topics

Electricals

- Power System
- Power Transmission
- Protection and Insulation
- Power Generation
- Electrical Machines
- Renewable/Green Energy
- Energy Efficiency
- Smart Grid
- Power System and Energy Engineering
- High Voltage Engineering and Insulation Technology

Electronics

- Micro Electronic System
- Electric Drivers and Application
- Electrical Traction Systems and Control
- Electromagnetic and Applied Superconductivity
- Semiconductor Technology
- Electronics Materials
- Electronic and Implementation
- Bio-medical Electronics
- Sensor Networks

Engineering Education

- Distance Learning and E-Learning
- Vocational Education
- Multimedia
- Innovative Teaching
- Assessment System
- Information Technology on Education
- Computer for Education
- Bio-medical Electronics
- Sensor Networks

Instrumentation and Control

- Modeling and Simulation in Power Electronics
- Instrumentation and Control
- Industrial Process Control and Automation
- Inverter and Converter Technology
- Mechatronic and Robotic
- Human Machine Interaction
- Intelligent System and Approach
- Electronics Information and Control System
- Control Theory and Application
- Telecommunication Systems
- Electric Vehicles

Informatics

- Software Engineering
- Web Programming
- Computer Network and Data Base
- Mobile Computing
- Cloud Computing
- Artificial Intelligence
- Data Mining
- Grid Computing
- Distributed and Parallel System
- Enterprise Computing
- Green Computing
- E-business and E-commerce
- Social Networks
- Decision Support System
- Image Processing
